SCHOOL MAGAZINES

Dear Parents

This year, as part of our aim to increase the reading frequency for students and thus reading outcomes, all children in Yrs 3 to 6 will be given their own series of school magazines.

Research informs us that:

"Good readers read considerably more than the poor readers both in and out of school, which appear[s] to contribute to the good readers' growth in some reading and writing skills. Poor readers tend to become poor writers. (PsycINFO Database Record (c) 2012 APA, all rights reserved)"

It is our aim that this format of reading ie School Magazines, will encourage even the most reluctant of readers, as well as excite those that love reading. They incorporate a wide mix of literary genres: poetry, plays, short stories and tales, as well as procedures, reports, features, profiles, book reviews and extracts, cartoons, comic strip serials, activities, puzzles and competitions, readers' letters and emails. There is something for everyone!

Please find below some details of the issues.

Countdown: Meet the *Countdown* crew and read part one of an exciting new serial that sees our crew sailing into danger. Find out some interesting facts about parrots, perform a play with a cast of feathery characters and search for birds in this month's find-a-word. There's also some fantastic poetry and a magical story about kites. (7-9 yrs)

Blast Off: Jools and Vern share a hilarious story about a smelly dog, a poem about two orange cats as well as some fascinating facts about that very clever creature ... the dung beetle. Find out why our hands are so 'handy', learn how to draw, take a glimpse at a terrific new book all about bad guys, and sharpen up your rapping skills—there's a play to perform! (9-10yrs)

Orbit: The first issue of *Orbit* will have you hanging with flying foxes, searching for hidden words, reading about hungry washing machines and listening out for that master mimic—the spangled drongo! Take a sneak peek at this month's terrific Bookshelf title, and see if you can solve the mystery of the beeping at dawn. (10- 11yrs)

Touchdown: Ever wondered why diamonds sparkle? Find out the answer to this, and many other questions, in a fascinating article about these precious gems. Visit New York's Metropolitan Museum of Art, and help Pencils D Barrymore find hidden New York words. Read a touching story about a magical garden, perform a side-splitting play and immerse yourself in some beautiful poetry. (11+yrs)

For your information there are 10 issues per year for every child and we have provided all children with a folder to keep the issues clean and organised. The cost of the magazines have been incurred by the school from funds raised and augmented with school funds. The students will use the magazines at school but they will also be able to take them home for their enjoyment. **Can you please support the teachers by ensuring that the children bring the magazines to school every day and look after them so that we do not have lost folders of magazines.** We are unable to replace lost magazines. As always the school is interested in your feedback once the children have started using this very valuable resource.

God Bless you and your Family

QUALITY CATHOLIC SCHOOLS SURVEY -21st March to Friday 1st April

EXTENDED TO 5TH APRIL 5.00PM

This week and next week a group of 60 randomly selected parents from Kindergarten to Year 6 have been invited to give the school feedback through the **Quality Catholic Schools' (QCS) Survey**. A package with instructions was sent home on Monday 21st March with the children. The children in Years 5 and 6 will be completing their survey at school online. Staff responses also form part of the data and when compiled gives the school an indication on how various members of our community think about aspects of:

1. cultural behaviour
2. relationships
3. learning community.

The topics within these aspects include;

- Social Justice
- Catholic Parish Involvement Learning Focus,
- Extra-Curricular activities such as Triskills, involvement of the choir in CAPTIVATE, Footsteps dance, Life Education, Moran Photographic Workshop for Primary Students etc
- Homework
- Social Skills
- Connectedness to School
- Opportunity for Parents
- Behaviour of Staff
- The extent to which parents believe their children are developing effective social skills.
- The extent to which parents believe their children have positive relationships with other students.
- School Improvement
- Approachability
- Teacher Morale
- Parent Input
- Stimulating Learning
- Behaviour Management
- Reporting
- Transitions
- Student Safety
- Classroom Behaviour
- Connectedness to Peers
- Student Motivation
- The extent to which parents see their children wanting to be at school. General Satisfaction

As you can imagine obtaining information/feedback on all of these topics is of great interest to the staff at St Patrick's as it can indicate to us what we are doing well and what areas of development need to have greater focus. **It is also important to reinforce that all responses are completely confidential and that individual responses will never be released to the school, CEDP or any other third party.**

I know that completing surveys can be time consuming but I do make a special appeal to any parents who received a package this week to participate in this survey, as your contributions are very important to us and are used to represent the wider parent community. A summary of the results of the survey will be communicated to all parents when they are collated and analyzed. All schools in the Parramatta Diocese are involved in the QCS Survey which will take place from Monday 21st March to Friday 5th April

ATTENDANCE/ABSENCES

Children are required by legislation to attend school each day, and we are required by law to keep records of each child's absences from school. For this reason if your child is unable to attend school, a note must be sent the day the child returns to school giving the reason for the absence. This can be done by letter or by using the school's Skoolbag App.

The absence needs to be explained within 7 days of the absence or it will be changed to unexplained and cannot be altered if the note is received after that time. All absences are shown on the child's report.

PARENT WORKSHOP

Helping to keep your child safe - Cyber Safety

Dear Parents

Following the Primary Parent Teacher evening, where the topic of unsupervised internet use was discussed, many parents expressed an interest to learn more about Cyber Safety. As a response to this interest I have approached Senior Constable Louise Conroy, Youth Liaison Officer Parramatta Local Area Command, to speak to you regarding what you can do at home about this increasingly important issue. A note was sent home on Tuesday. Please return if you are able to attend.

Date: Thursday 7th April

Place: School Library

Time: 2.00pm

Happy Birthday to the following children who will celebrate their birthdays in the following week:

Isabella Maaraoui, Lucy Parkes, Maria Khoury, Naomi Faddoul

2017 Kindergarten Enrolments

Thank you to all our families who have handed in the 2017 Kindergarten enrolments. Please be aware that enrolments have now closed. Please contact the office ASAP if you have not returned your enrolment form. Parents will be contacted over the next few weeks to organise interview times.

Sick Children

We know that it can sometimes be difficult to determine whether your child is too sick to attend school. In the interests of the wellbeing of our whole school community we ask you to take a moment to review the "Too Sick To Go To School?" chart created by NSW Health which is accessible from the following webpage - <http://www.schoolatoz.nsw.edu.au/wellbeing/health/too-sick-to-go-to-school>

This chart reminds parents of the advisable periods of time children should be away from school during and after an illness. We appreciate your co-operation with keeping our school healthy and happy.

Nutrition Snippet

The simplest way

...to shop in season and save.

Buying fruit and veg when it is in season is much cheaper than at other times of year. It's better quality and tastes better too.

Autumn heralds a host of new season produce. Here is a guide for March, April and May:

FRUIT

Apple (Red Delicious, Granny Smith), Avocado, Banana, Custard Apple, Fig, Grapes, Grapefruit, Kiwifruit, Mandarin (Imperial), Melon, Nashi, Orange (Valencia), Passionfruit, Pear, Plum, Persimmon.

VEGETABLES

Asian Greens, Beans (Green), Beetroot, Broccoli, Cabbage, Capsicum, Carrot, Cauliflower, Celery, Cucumber, Eggplant, Leek, Lettuce/Salad Mix, Mushroom, Onion, Peas (Snow), Potato, Pumpkin, Shallots, Spinach, Sweetcorn, Tomato, Turnip, Zucchini.

What people are saying...

What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later down the line, needs excessive discipline or grows out of control

Who is running it?

The presenter for this course is [presenters name] who completed Parentshop's 1-2-3 Magic® & Emotion Coaching practitioner training on [date trained].
[Describe your relevant experience]

- An end to the arguing and yelling! • It saved our lives • Simple, sane, effective

On the 31st of March, Year 6 visited Healthy Harold to learn about the influence of drugs, cyber safety and thinking before you act.

We learnt how smoking could affect your body and the way it functions and to never try smoking because you have the risk of getting addicted to it.

We were informed about a variety of drugs; some you should never try and some that can help our body, like prescription medicines and health tablets.

We explored how to stay safe on the Internet and to think before you click. We learnt that we should never send mean or inappropriate messages about someone or post something behind their back. If you don't have something nice to say, don't say it. We also learnt that if we do receive a mean message or comment, we should block the person that sent it and tell a trusted adult about what happened.

Lastly we discovered that people around us can influence us in making the wrong or right decisions. We should always choose what we know is right and always think our decisions through!
