Dear Parents,

Over the holiday break I took some time to read a little about the history of our wonderful school, including an archeological study on the use of the land prior to the establishment of St Patrick’s. It is hard to imagine anything beyond the towering administration block and adjoining classrooms, playground and trees but the report sheds some light on a very different time and the people that once inhabited ‘our land’ at the corners of Ross, Villiers and Trott Street. I am sure that most of you know that Parramatta is an extremely important city in the history of Australia.

One of the first settlements was established in the area bound by George, Macquarie, Bridge and Church Street in central Parramatta. At this early time, plans of the area show the land to the north of Parramatta River, including that which is now occupied by our school was yet to be occupied. The land on which the school stands may have been first used as an indigenous camp and a camp for early settlers. An early map from 1844 shows that most of the land occupied by the school, was once owned by a Mr Blanchard who built the first steam mill on the site, with the rest of the land owned by a Mr J Duck. In fact the now named Trott Street used to be called Duck Lane. The report continues to explain that the mill did close and was used as a distillery at one time and by 1895 the land was fully divided into residential blocks. When reading this information it is not hard to imagine that St Patrick’s is the oldest parish school in Australia. Although on a different site, in Hunter St, the school was established by Father Therry in 1820 and then in 1837 was relocated next to St Patrick’s Church, now the Cathedral. In 1874 the girls and smaller boys were separated and taught in a school opposite the church.

From 1874-1888 the Sisters of Mercy, Head House Monte Saint Angelo, North Sydney, were teaching at St Patrick’s School, in a building which was standing in front of the present O.L.M.C. in Victoria Road, then known as Pennant Street. These sisters were replaced by the Sisters of Mercy from Callan, Ireland, by the invitation of Cardinal Moran.

In 1926 that building was demolished and a new building was erected at the corner of Villiers Street and Ross Street, the current administration block and library.

In 1966 the senior girls moved to Westmead, to form Catherine McAuley High School. The primary school remains to this present day, Yes Us!

The Sisters of Mercy handed the responsibility for the School to the first lay Principal Ms Joan Coyle in 1985. It will be a great honour to have Ms Coyle returning to St Patrick’s this Friday to present the badges to our SRC Representatives for Semester 1, 2015. Ms Coyle has had a long history with the school not only as principal from 1985 to 1997, but also as a teacher at one time. The SRC Badges will be presented tomorrow at Friday Assembly which will commence at the earlier time of 2.00pm You are all warmly welcome!

May God Bless you and your family.

ST PATRICK’S PARENT EVENTS COMMITTEE

After such a successful year of community socialising and fundraising in 2014 we have decided to trial the establishment of a St Patrick’s Parent Events Committee. The role of the committee will be to meet to organise upcoming community events for the school.

At the Parent Teacher Information Nights we will be asking for one volunteer from each class to be the class representative for the year to be part of this committee. We will also be asking for the names of volunteers who may be interested to support the committee at the events and/or grade morning teas.

Please find below the role description for the committee for your perusal:

Meet with other class representatives as part of the St Patrick’s Events Committee when needed.
Organise the designated morning tea for the grade eg Mother’s Day
Organise grade picnics/dinners if desirable (Optional)
Represent the class re ideas for social/fundraising events for consideration
Be a contact person regarding grade morning teas

This committee will be coordinated by Mrs Fardell and Miss Fabri

Please keep in mind that all parents are welcome to contribute their efforts and ideas at any time.

Thank you
A huge thank you to Mrs Laura Tarabay and Mrs Rhonda El-Tobbagi on the wonderful job they did at the end of last term in the canteen. Laura and Rhonda gave up a considerable amount of time to organise and clean the canteen in readiness for its use this year on ‘treat days’. I would like to sincerely thank them for their efforts.

Thank you is also extended to Year 1 parents Mrs Paguia, Mrs Sta Rosa, Mrs Samar and Mrs Joseph for all their help in organising the morning tea for the new Kindergarten parents. From their responses this act of hospitality was very much appreciated.

Happy Birthday to the following children who will celebrate their birthdays in the following week:

Being on the Student Representative Council is a huge responsibility. SRC students, are students who display compassion and are always thoughtful and caring towards others. These students demonstrate resilience by being determined and displaying a positive attitude at all times, even when things get difficult. These leaders continuously exhibit respect towards their family members, teachers and peers, forever displaying fairness and they are first to welcome others into our school, class or game. Over the last couple of weeks students have been elected to take on the responsibility of being on the Student Representative Council. We would like to take this opportunity to congratulate our Semester One Student Representative Council for 2015 and look forward to working with these children to make our school an even better place to be!

Burning of the Palms for Ashes

Next week we begin the Season of Lent on Ash Wednesday. On Tuesday when we are gathered at 8.50 am, Fr Bob will burn some of the palms left over from Palm Sunday. These ashes will be used the next day at Mass to mark the cross on our foreheads. On Ash Wednesday Father Bob will visit the Kindergarten children for a very simple liturgy and their teachers will mark them with the cross.

LENT

During Lent the Church asks that we focus on prayer, fasting and almsgiving. At school we will highlight prayer, and almsgiving through Project Compassion, reminding the children that it is most meaningful if the money we give to Project Compassion is the result of us going without something. You may choose as a family to give up a treat from time to time and to give that money to Project Compassion Lent provides a wonderful opportunity for us to model our faith in action.

CHILD PROTECTION MODULES FOR VOLUNTEERS

Parent helpers in a school are a vital resource. Any parent interested in assisting in reading groups, excursions etc need to complete the ‘child protection briefing for Volunteers’ found by following the website link below. Parents and other family members are unable to assist if this module is not completed and submitted. Parents only need to complete this module once every two years. Looking forward to welcoming you as volunteers as you share you gifts with our school community.

$1.00

All schools in our diocese have been asked to help fund the cost of one young teacher to attend World Youth Day on Krakow, Poland, next year.

As a treat for the students and a donation towards our fundraising we will be selling Icy Treats in Terms 1 and 4. The cost is $1. To reflect the healthy lifestyle we are promoting, we suggest a limit of one per child.

This term the ice treats will be on sale at lunchtime this Friday, and then on Tuesdays in weeks 5, 7 and 9. It would be helpful if your children had the exact amount, zipped safely in their pockets as teachers will not handle any money.

Thank you for your support
Mrs Kerr

Keeping lunchboxes safe

- Before preparing your child’s lunchbox, always wash your hands and ensure you have a clean chopping board, lunchboxes and utensils.
- Bacteria that cause food poisoning grow at room temperature so it is a good idea to keep lunchboxes cold, even in winter. Include a frozen drink or ice-brick to keep sandwiches fresh and safe.
- Wrap frozen drinks in a paper towel to stop condensation making lunches soggy.
- Be selective about what you pack, especially on hot days. Try to avoid cold meats, chicken and eggs on hot days.
