COMMUNICATION EMAILS

Dear Parents

As you are aware sometimes we are required to communicate with families quickly. To help with the communications between St Patrick's Primary and yourself we are able to now send out bulk notices through email. This is very convenient means of communication to notify parents of a cancellation or a reminder of an event to take place at the school.

To enable us to do this we require your email address.

Please complete the slip below and return to the Administration Office.

Yours faithfully

Mrs Gloria Bryant.
PRINCIPAL

COMMUNICATION EMAILS

Child's name ......................................... Class ........................

Email address 1 .................................................................
Print clearly

Email address 2 .................................................................
Print clearly

I give permission for the above email address/es to be used by St Patrick's Primary.
