12th October 2017 Term 4 Week 1

---

Dear Parents,

*I hope you all had a wonderfully restful break with the children or if you were still working outside the home that you were able to manage the change of routine without too much stress. It is great to be back to school for Term 4 and I noticed that many children have returned filled with the enthusiasm required for really good learning.*

*Over the last two weeks I have had the pleasure of doing a number of walks around Sydney with some friends. One of my favourite things to do is to go into Sydney CBD and take a guided tour of historical sites where you learn for example about key indigenous sites, the arrival of the First Fleet and the establishment of the British Colony. Sometimes it is so hard to believe that a land that is now filled with vast sky scrapers and tarred, busy and bustling roads was once pasture and bush land. This spurred me to think about Parramatta and how our local landscape has changed and is continuing to change. For those of you who may not be familiar with the history of the school it is one worth reading.*

*When the school hall was built the builders were required to organise an archeological study of the area and it revealed some very interesting information. It is hard to imagine anything beyond the towering administration block and adjoining classrooms, playground and trees but the report sheds some light on a very different time and the people that once inhabited 'our land' at the corner of Ross and Villiers Street. I am sure that most of you know that Parramatta is an extremely important city in the history of Australia. One of the first settlements was established near the Parramatta River and spanned approximately 300 metres outwards. The land on which the school stands was first used as an indigenous Camp and a camp for early settlers. An early map from 1844 shows that the corner closest to Villiers Street, facing the blue building, was once owned by miller Mr J H Blanchard who built a flour mill on the site of the administration block, with the rest of the land owned by a Mr L Duck. In fact the now named Trott Street used to be called Duck Lane. The report continues to explain that the mill did close and was used as a distillery at one time and by 1899 the land was fully divided into residential blocks. When reading this information it is not hard to imagine that **St Patrick's is the oldest parish school in Australia**. Although on a different site, in Hunter St, the school was established by Father Therry in 1820 and then in 1837 was relocated next to St Patrick's Church, now the Cathedral. In 1874 the girls and smaller boys were separated and taught in a school opposite the church.*

*From 1874 -1888 the Sisters of Mercy, Head House Monte Saint Angelo, North Sydney, were teaching at St Patrick's School, in a building which was standing in front of the present O.L.M.C. in Victoria Road, then known as Pennant Street. These sisters were replaced by the Sisters of Mercy from Callan, Ireland, by the invitation of Cardinal Moran*

***In 1926 that building was demolished and a new building was erected at the corner of Villiers Street and Ross Street, the current administration block and library.***

*In 1966 the senior girls moved to Westmead, to form **Catherine McAuley High School**. The primary school remains to this present day, continuing as St Patrick's Primary School Parramatta.*

*The Sisters of Mercy handed the responsibility for the School to the first lay Principal Ms Joan Coyle in 1985. Since then there have been 2 more lay principals, Mrs Bryant and myself. Let us continue to pray for the St Patrick's Parramatta community with due consideration of those who came before us in its establishment.*

*May God Bless you and your family*

## FOOTSTEPS

This term the children will be participating in a dance program delivered by the company 'Footsteps'. Footsteps is run from Kindergarten to Year 6 and specialises in curriculum integrated dance programs that use dance as a vehicle to develop students' inter/intra personal skills and fitness levels. Every grade has a dance class once a week and from all accounts they really look forward to these sessions. Our children really love dancing - it seems natural to them, so we look forward to an opportunity later in the term to present some of their 'groovy moves'!

Children will wear their normal school uniform to participate in dance as students are required to wear leather soled shoes.

### Touch Football Gala Day

Last Term boys and girls in Years 5 and 6 represented our school at the Stage 3 Touch Gala Day. It was a remarkable day that we will all remember. We had 3 teams participate 2 boys and 1 girls, both boys team went through undefeated and ended up as pool champions. Well done to all !!!!

A big thanks to all the parents who came and helped out on the day, it would not have been possible without you. Also a big thanks to Jarrod's brother, Anthony Kassis, who helped with the refereeing. Thank you to Mr Younis and Mrs Masefield who made the day as great as it could be and thank you to Ms Fabri who allowed us to participate in the Gala Day.

Students should look forward to next year's touch gala day, make sure you keep on training and always do your best.

### FAREWELL MRS JADRABIEB

As many of you already know Mrs Jadrabieb will be going on leave tomorrow to get ready for the birth of her first child. As you can imagine she and her husband Ravi are very excited about becoming parents, however I also know that leaving a school for a while, even for such a momentous occasion, is not easy for such a superb teacher as Mrs Jadrabieb, Mrs Jadrabieb is currently 2Ms teacher but many children have benefitted from her interest in their learning and in her care as people. Over her 15 years at St Patrick's Parramatta Mrs Jadrabieb has demonstrated exemplary dedication to her vocation and to her students. Although the children and staff will very much miss her, we know this will be a very happy occasion for her family - with God's blessing. I know you join me in wishing her all the very best for the future and look forward to her return to St Patrick's Parramatta.

I would like to welcome Ms Terry Loo who will be teaching 2M for the remainder of the year. Ms Loo, originally from Perth, has had experience teaching in both Australian schools and those in London England. She comes with excellent references. We welcome her to the St Patrick's Parramatta School Community.

# food allergy AWARENESS

Foods that most often cause an allergic reaction:  
**peanuts, tree nuts, milk, eggs, fish, shellfish, sesame, soy.**

However, other less common foods can also cause anaphylactic reactions.

Anaphylaxis is a sudden, severe allergic reaction that involves various areas of the body simultaneously. Food allergies, insect stings, medications (most commonly penicillin), and latex can cause an anaphylactic reaction.

### Warning signs and symptoms of an **allergic reaction**:

- Complaint of tingling in the mouth
- Hives, body rash, itching
- Vomiting
- Swelling of lips, eyes and face

### Warning signs and symptoms of a **SEVERE allergic reaction (ANAPHYLAXIS)**

- Difficulty and/or noisy breathing
- Wheeze or persistent cough
- Difficulty talking or hoarse voice
- Swelling of the tongue
- Swelling/tightness of throat
- Loss of consciousness and/or collapse
- Pale and floppy (in young children)

**If you see someone showing any of these symptoms, ACT FAST. Call 000.**

## 2018 Parramatta Diocesan Team Sport Trials - Students with Representative Experience or Above Average Ability

Any Primary students enrolled in Year 5 and 6 for 2018 are invited to participate in the Parramatta Diocesan Team Sport Trials during Term Four in 2017 and Term One in 2018. In some sports students in Year 4 *MAY nominate*.

*It is important to note that these trials are generally for those children who display an above average ability and/or have representative experience in their chosen sport. While teams are open in age it is strongly recommended that only children of a representative standard in Years 5 & 6 in 2018 be invited to attend.*

Parramatta Diocesan trials will be held in the following sports:

\*AFL (boys), Basketball (B&G), Cricket (B&G), Diving (B&G), Hockey (B&G), Football (B&G), Golf (B&G), Hockey (B&G), Netball (girls), Rugby League (11yrs & Opens), Rugby Union (boys), Softball (B&G), Tennis (B&G), & Touch(B&G).

To be eligible for selection for these trials an Online Team Registration Form must be completed that can be accessed via the website [www.primarysportparra.catholic.edu.au](http://www.primarysportparra.catholic.edu.au)

This online form is an EXPRESSION OF INTEREST ONLY for the 2018 Parramatta Diocesan Primary Sport Team trials. Parents may complete this form to attend a selection trial. One form is to be completed per child, per individual sport. Each sport has its own criteria therefore, it is imperative that the correct form is completed.

Please note that your online registration is an EXPRESSION OF INTEREST ONLY and MUST be approved by the child's school. In order for the child to attend the nominated trial or event this may come down to the discretion of the school as to who is selected to attend the trial. In some sports only 2 students per school can be nominated. All fields and especially "Representative Experience" MUST be completed.

***Under no circumstances will a child be eligible to trial if the Online Registration Form has not been completed and approved by the school by the closing date.***

Currently only the Summer Sports of BASKETBALL & TENNIS are open and registrations close on Friday 27<sup>th</sup> October as these trials will be held in November 2017.

All other sport registrations will open in November for 2018 trials.

**Please contact Mr Younis if you require further information or clarification.**

### Kindergarten Excursion to Calmsley City Farm

On the last day of term 3, Kindergarten went to Calmsley City Farm for our excursion. Kindergarten were able to get up close and pat many different farm animals and we also really enjoyed the sheep shearing and the sheep herding shows. We had a fabulous day and learnt a lot of new and interesting facts about animals and life on the farm.

# The simplest way

...to be a good role model!

### Did you know?

Researchers, parents and teachers know that children imitate adult behaviour. That's why role modelling sun protection is so important!

### How you can be a role model:

- **Slip** on clothing which covers as much skin as possible.
- **Slop** on 30+ broad-spectrum, water-resistant sunscreen.
- **Slap** on a broad brimmed, legionnaires or bucket hat.
- **Slide** on some wrap-around sunglasses.
- **Seek** shade when outdoors.

Don't forget – when the UV reaches 3, we protect against UV! You and your kids can check the UV level together by downloading the SunSmart app!
