17th September 2015 Term 3 No.10

Dear Parents

## **MOVIE NIGHT**

Last Friday the school community gathered at one of the most enjoyable evenings of the year – our Annual Movie Night. Commencing at approximately 5.30pm families started to enter the school gates to position themselves at vantage points on the playground from which they planned to get the best view of the movie, Big Hero 6. Special Gold Class seats eagerly awaited the winning family - the Saab family – who, for the bargain price of ten dollars, won the right to be treated to comfy seats right up front complete with scrumptious food. The scent of wood fire pizza ovens and tempting coffee wafted through the air and the sound of excited children could be heard all over the school as they got ready for the movie to begin.

I would sincerely like to thank the members of the Movie Night Organizing Committee; Mrs Josie Romanos, Mrs Belinda Barakat, Mrs Zana Rahme, Mrs Julia Gittany ably led by Mrs Marietta Maroun, who all did an outstanding job; organizing, ordering, decorating, preparing coffee, packing fridges, boiling corn, selling popcorn and slices, storing goods away, cleaning and stacking. Most of these wonderful ladies spent all of Friday at school getting ready and then spent the majority of the night on their feet in the canteen. We are so very grateful for your generosity! A special thank you is also extended to any other parent who helped on the night in any way, including the many teachers who attended. We could not have done it without you all working as a team! Thank you also to the many families that donated drinks, chips and other goodies. Once again we appreciate anything you may have given to us. Although I am pleased to report that we raised \$3500.00 the winner on the night was well and truly our St Patrick's Parramatta Community especially our children. Well Done Everyone! Thank you to all the students who attended for your outstanding behaviour.

Thank you to Mrs Z Rahme, Mrs Tamaro and Mrs Daher for donating their time to sell chips to the children at recess on Wednesday. This was a special treat for them that they really enjoyed. My sincere appreciation to these mums for their assistance.

## **NEW PICK UP PROCEDURES LATE OCTOBER**

In an effort to alleviate the traffic congestion on Villiers St and facilitate better safety for our students after 3.00pm, the school has applied to Parramatta Council to trial a new pick up procedure from Ross Street instead of Villiers Street. (See diagram) The council will take the school's request to their next meeting and hopefully, if all goes to plan, the council will swap over the signs in late October. The reasoning behind the new proposed pick up location is to enable parents to be able to pick up their children with less congestion. Parents will be required to drive around the block, hopefully only once. Pick up on Ross St will also enable traffic used by the commercial premises, to flow more freely, as they will not get caught behind cars making the loop between round-a-bouts. Parramatta Councils Senior Traffic Engineer was fully supportive of the idea which she felt was the best option under the current conditions. We are also hoping that the flow of traffic will be less affected by illegally parked cars who often park in the way of the traffic line up, to access shops on Villiers Street. We will keep you posted on the progress of this proposed change.

May I take this opportunity to wish you all a very restful and enjoyable holiday break and look forward to seeing you at the commencement of Term 4 on Wednesday 7th October.

God Bless you and your family

# Student Charter

All members of the Student Representative Council for Semester 1 and 2 have been working with Mrs Pope and Mrs Jadraieb to develop and create a Student Charter for our school.

A Student Charter helps us to understand what it means to be a student member of our school community. It outlines our rights and responsibilities of being a student learning at St. Patrick's Primary School, Parramatta. Our values of Respect, Resilience and Compassion are also present in our Student Charter through our rights and responsibilities. The expectations of our behaviour towards our learning, our fellow peers, our teachers, our parents and visitors are clearly stated in the Student Charter.

Next term, our teachers will be promoting our Student Charter within our classrooms and in learning spaces. We are proud of our contributions to the Student Charter and we are hopeful our behaviours will continue to be positive, safe and appropriate.

The Student Representative Council members.

### Sports Report

The NSW CPS MacKillop Track and Field Championships was held on Monday 14th September 2015, We as a great sporting school St Patrick's, had three athletes enter the carnival;

Ashleigh Grubba, Luke Maroun and Marcus El-Chaar represented our school with great pride and respect for the badge on their chest.

They did extremely well to even make it to this level of competition, so as a school we congratulate them on a wonderful achievement.

Students, I am excited for next year's carnivals and to see all of you trying your best to maybe have your name in the newsletter one day for a sporting achievement.

To round up the sport's report, on the last day of Term 3 (this Friday) our stage three girls and boys touch football team will represent our school at Touch Football Gala Day. Look out for Term 4 newsletter for information on how the day went and their result.

Have a very active school holiday break and we will see you soon.

Yours truly  
Mr Younis and the Sport Captains!

Dear Parents

We will be holding an 'Information Session' for those interested in preparing your child/ren for the Sacraments of Penance, First Holy Communion and later Confirmation. This will take place through a Parish / School Based and Family Centred process. That means that it is **you** who do the preparation with your child, but we help you with this through a process of guided reflection.

In order to explain the way preparation takes place, you are invited to attend an Information Session. This session will provide you with enough opportunity to decide whether this is the right time for you to begin the journey toward completion of Initiation into the Faith Community begun at the time of Baptism.

Some points are listed below which will help you decide if you are ready to lead your child into this next phase of the journey of Faith.

### **How Do I Know If My Child Is Ready?**

- There is no magical age for children who have been baptized as infants to complete their Initiation into our Faith Community.
- Some questions you may ask yourself when making this consideration are:
  - What does my child know about God?
  - Has my child begun to want to pray?
  - Is my child beginning to recognise the difference between RIGHT and WRONG?
  - Can my child accept that a mistake has been made?
  - Can my child admit that they sometimes do what is wrong?
  - Is my child able to say 'sorry' when it is appropriate?
- It is important that as parents you make a **decision yourself** and not be swayed by the fact that the child is now in a particular class e.g. Year Three. There is no **right** class that marks the **right** time for the first reception of the *Sacrament of Penance*, or for the first reception of the *Sacrament of Holy Communion*.
- To be eligible for preparation at this time the children should be 7 years of age by 30 June, 2015.

The Information Session will be held on:

**Wed 14 October at 7.30pm at St Patrick's Cathedral Parish Hall, 1 Marist Pl, Parramatta.**

Regards and God Bless,  
St Patrick's Cathedral Sacramental Team

Please ensure you have a copy of your child's Baptism Certificate as you will need this as part of the enrolment process.

LIBRARY

All children are involved in the library program and are encouraged to borrow books on a regular basis. Children from Kindergarten to Year 6 are required to have a library bag clearly marked with their name. Please discuss with your child the importance of looking after library books. If books are lost or extensively damaged we will request replacement.

LOST PROPERTY

It is essential to have your child's clothing and belongings clearly and permanently identifiable. A name on lost property would enable the prompt return to the owner. Lost property is stored in tubs, outside the school office window.

## Commonwealth Bank School Banking Update – Please Read

Following the decision last month to recall the *Cosmic Light Beam Torch* due to a potential safety issue, a decision has been made to also withdraw the upcoming *Lunar Light Band* reward from the School Banking Rewards Program.

To avoid disappointment there is a new reward item available for redemption in Term 4 while stocks last. Students can now test their skills with a game of frisbee with the new **Galaxy Glider**!

Once students have collected 10 tokens, they can simply include a note, along with their 10 tokens in their deposit wallet on banking day to advise that they would like to redeem their tokens for the Galaxy Glider reward item.

Don't forget the Outer Space Savers Money Box is also available in Term 4.
