Dear Parents,

This week I would like to share with you some information regarding important guidelines and procedures when taking photos on the school premises or school functions. With the end of year celebrations and ceremonies taking place, this information for parents and carers will assist us to ensure that all members of our community are mindful of safety, privacy and possible legal ramifications of breaches. Please take some time to make yourselves familiar with the information below.

School Photography Guidelines for Parents and Carers

Information for Parents and Carers

We recognise that parents and carers enjoy photographing and recording the progress of their child at school and on school activities. We recognise that many of you like to share these personal memories online and on social media.

We ask for your cooperation and care concerning the use and distribution of photographs of other children at our school. Some families have very real legal and safety issues which could put a child at risk if an image is made public online. More generally, it is respectful of the privacy of other members of the school community to ask permission before posting an image online. Even if your social media settings are private, it is easy for images to become public, particularly if they are tagged or shared by others.

Best practice guidelines

The following best practice guidelines have been adopted by our school to keep our students and school community safe, and to ensure respectful practices concerning the use of social media. When taking photographs or recordings at school or at school events and your images include other identifiable persons please follow these guidelines:

- Crop out other students or seek the permission of the student or (for students under 16) his or her parent/carer before posting online.
- Do not tag or name the person without permission.
- If a parent or carer requests that you do not circulate an image of their child to others, please comply with the request.
- Please seek the permission of our staff to photograph or record them at school. Photography of staff presenting or receiving awards is permitted.
- Photography in St Patrick's Cathedral, during mass or when requested not to, is not permitted.

The school will periodically review these best practice guidelines.

Mandatory policies:

As per standard esafety policies, the school may from time to time determine that photography or recording at school events or on school grounds is restricted. Where restriction is notified, failure to comply may result in your exclusion from school premises or activities. There may also be consequences as set out in the enrolment agreement.

Under no circumstances may you photograph or record in private areas such as change-rooms, or in school offices or staff rooms, or at meetings, without express permission.

Queries and further resources

The following resources provide further information about safety online, and privacy. Parents are encouraged to follow the school Complaints Handling Policy regarding concerns about privacy online. If you wish to discuss an issue further with the school, please contact the principal - Bernadette Fabri through the school office Ph 9630 1421

Not Returning to St Patrick's in 2017

Thank you to the parents who have informed the office that their child will not be returning to St Patrick's in 2017. If your child is not returning to St Patrick's in 2017 please send a letter to Ms Fabri stating the last day of attendance at St Patrick's and which school they will be moving onto in 2017.

SCHOOL HOURS

Dear Parents

Can I remind you that school hours are from 8.50am to 3.00pm. Although school finishes at 3.00pm we have extended the pick up time to 3.30pm to allow for and to assist with the traffic congestion around the school. This is an extra half an hour.

We have noticed however that there are a growing number of children who are regularly not picked up before 3.30pm. This can often distress children and is putting extra strain on staff who have often arranged meetings, organised tasks and who have after work commitments. It is recommended that if you are having difficulty picking up children on time that you organise after school care. Thanking you for your consideration and cooperation with this matter.

Year 5 SEATS Exhibition

This semester Yr 5 has been involved in a special project for Missions called **SEATS**. This is a values based program that empowers students to explore their own potential to enhance the world they live in. The children have researched some of the problems facing the world today and have seen first hand that solutions and effective actions are possible. The program centres around the story of 'Little Stool that

Could' and involves the construction, design and decoration of a SEAT, to highlight an issue of need and to demonstrate the values and action achievable by students who participate. The culminating event is an exhibition and silent auction of decorated SEATS.

The exhibition of their finished stools will be on Monday 21st November at 2.30 till 4.00pm in the school hall. We are also holding a silent auction where anyone who is interested in buying one of the stools can make a bid in a silent auction. The silent auction will close on Wednesday, 23rd November at 10am, when the highest bidders will be informed. The money raised from this project will go to support the work of Catholic Mission and Arrupe Place, Jesuit Outreach Centre and the wonderful work they do in assisting people in need.

Congratulations !!!

On Monday 14th November we were lucky enough to have a visit from "Pat the Dog" and the branch manager of the Commonwealth Bank

Westfield store. Our school was randomly selected for the Term 3 prize. We received sports balls to the value of \$200. This was made possible by all the children contributing to their school banking. So THANK YOU !!!!!

WAY of MERCY CELEBRATION

Way of Mercy- Friday

On Friday morning our school community including Father Bob, parents and friends, gathered as the final school in the Diocese to celebrate the **Way of Mercy**. We shared a liturgy in which we thanked God for his mercy and asked that we would have the grace to show mercy in all aspects of our lives.

Because it was Remembrance Day, we also offered a prayer and laid a wreath for all those who have died serving in wars.

The highlight of our morning was processing behind the 4m cross and relics of St Mary of the Cross MacKillop and St Teresa of Kolcatta and then having the opportunity to venerate them. Our ceremony concluded with the Year 6 liturgical movement to *Blessed are the Merciful*.

A special thank you to Mr Margerison and Mr Buhagiar from CEDP who transported the cross and relics. Mr Magerison visited each Year group with the relics and spoke about them to the students. We all learnt a lot from these chats.

Way of Mercy – Sunday

On Sunday afternoon a number of students participated in our parish celebration of the **Way of Mercy**. We marched from the Old Kings Oval to the forecourt of the Cathedral. We followed the Cross and relics, one of which was carried by Miss Azar. Year 6 students performed their liturgical movement on the steps of the Cathedral, Kristiana carried the school banner and John A read a prayer of the faithful at mass.

At the conclusion of mass, Bishop Vincent closed the Door of Mercy which had been open for a year, and through which we walked each time we went to mass. Bishop Vincent reminded us that although the physical door is closed, the Door of Mercy to our hearts must remain open.

During the afternoon each school and parish was presented with a canvas reproduction of Rembrandts' *The Return of the Prodigal Son*. The print came with an easel and notes for reflecting and meditating. It is a beautiful memento of a very special year for our school.

St Patrick's Primary is always well represented at out of school functions. We are very grateful to the parents who sacrifice other things in busy lives to make this happen. God bless you!

Year 1 Excursion to the Wetlands

On Thursday we went on an excursion and we saw water bugs
We had to catch them and put them in a container. We saw a
fish and I saw a frog. We ate our food then we went to the
bus and we went home.

Baxter Gittany 1S

On Thursday we went to Sydney Olympic Park. We saw some slime and some roots of the mangrove trees. I found a snail, we had to draw it in our free writing books. We had to find little creatures and when we had found some we would take it to an adult so they could tell us what it was.

Lucia El Hani 1S

On Thursday we went on an excursion to Sydney Olympic Park. We went on the bus. Then we went for a walk to the shelter to have recess. After that we went on a bridge and saw a floating buoy that looked to catch rubbish in the water. We learnt that it is salty water and it comes from Parramatta river. Then we moved on and we did the boardwalk and we were investigating what was inside the mud. Then we came back to the shelter and picked a leaf of a mangrove tree. It was salty on the unsmooth side. We were looking for things that were alive, not alive, something interesting and lots more. After lunch Claire our leader shook a tree which we thought had no insects on it but there was. Later we did scooping of animals from under the water and then we went back to school.
