10th May 2018 Term 2 Week 2

Dear Parents,

Mother's Day is a time of recognition, celebration and reflection. With this in mind Michael Grose, founder of Parenting Ideas, asked some of his expert team members, who also happen to be mums, to share their thoughts about parenting and mothering. Here is what they had to say.

#### **What do you love about parenting?**

I love seeing my children grow into their personalities and being part of helping them find their spark. I love the simple things, whether it is girl-time doing the shopping or chats at night on the bed with the younger ones about their day. I love seeing them push through and achieve things that they thought they couldn't. One thing I am big on is being present and being there, whether it is at their school event days or cheering them on where possible from the sidelines. And I am a big fan of a warm hug.

#### **What lessons did you learn from your own mum?**

My mum taught me the importance of family and of friends. To always make time for those you love. She taught me that nurturing our relationships throughout life will always give us the greatest rewards. She taught me how to entertain well, to always have extra food and drink and to always have my door open to others. She taught me the value of being generous and the importance of helping others in need. She taught me the importance of finding work that you enjoy and how this can enrich your role as a mother. And she taught me that being a mum is the most amazing gift you can be given. Sometimes it's clouded by the most crushing of fear, but ultimately it offers us the greatest of joy.

#### **Best piece of mothering advice you've received?**

The best piece of parenting advice I have received is to not stress too much. We are all doing the very best we can on any given day with what we have. Sometimes, we will be exhausted and if all we can manage for dinner is scrambled eggs on toast, then that's okay. Don't beat yourself up and certainly avoid the comparison trap. Don't compare yourself to other parents and what they are doing. Remember, parenting is a full time gig, 24/7. Just do your best and make sure you look after yourself too.

This Mother's Day, let us take some time to think and pray for our mothers and mothers all around the world. We especially remember mothers who are no longer with us. God Bless them! I would also like us to remember all the men in families who find themselves being mother and father to their children. May God Bless them for the nurturing they are providing their families. **HAPPY MOTHER'S DAY!**

God bless you and your family

## BEFORE SCHOOL DROP OFF

Now that we are into Term 2 I would like to remind families about some issues around safety before school. It has come to my attention that, while our Ross St gate is not unlocked until 8am, there are a number of students being dropped off well before this time and left unsupervised. I understand that some families have work commitments but this practice does not ensure the safety of your children.

If you do need to drop off at 8am please remind your child/ren that they are to sit in the amphitheatre until 8.20am when a teacher begins duty. At present some of our students are finding this a little challenging as they want to move around. If you do not need to drop your child off early please consider waiting until morning supervision begins at 8.20am.

If you are using the 'Kiss and Drop' zone outside the front of the school please use the parking zone available and not drop off in the school driveway. Please be mindful that after 8.30am the queue becomes quite long. Drivers getting out of their cars, assisting children with bags etc holds up the flow of traffic. Try and keep the drop off to a minimum.

### ATTENDANCE LETTERS (<90%)

Dear Parents

Today the office has sent out the attendance information alerts to parents of children whose attendance data has fallen below 90%. This includes children whose absence is due to illness or leave for example. As explained previously the school understands that some leave cannot be helped especially when children are sick. The school appreciates parents not sending sick children to school as this is an important aspect of health management. The school is however obliged to keep parents informed of their child's attendance data, especially when it reaches the under 90% mark. If you have any questions regarding attendance please do not hesitate to contact me.

Regards  
Elly Benkovich

Dear Parents,

Have you ever wanted to try Maths tug-o-war? Do you know how to structure and restructure a collection? Can you use the bead string to show difference? Are you a 'number buster'?

If you would like to experience some of these activities and see how the Kindergarten, Year 1 and Year 2 students are challenged in Mathematics then please attend our 'St Patrick's Infants Maths Information Evening'.

**Date: Wednesday May 16<sup>th</sup> 2018**

**Time : 7:00 -8:00pm**

**Venue: TBA ( depending on numbers)**

As this evening is designed for parents who wish to know more about how Mathematics is taught at St Patrick's, it is preferred that students not attend if at all possible.

Mrs Barclay  
Numeracy Coordinator

**Happy Birthday to the following children who will celebrate their birthday in the coming week:** Panayioti Yannakis, Erica Jurisic, Louis Wehbe, Brandon Roque, Owen Abraham

## **Birthday Song Acknowledged Fridays**

As we are now only having limited Friday afternoon assemblies it has come to our notice that some students are missing out on having their birthday acknowledged through the Birthday Song. In order to rectify this we will start singing the Birthday song for all students who have celebrated their birthday in a particular week at Friday morning assembly.

The children can continue to wear their summer uniforms. At this stage we will be changing to winter uniform at the beginning of **Week 4, 21st May**, however with such unpredictable weather winter uniform can be worn prior to this date. When wearing either winter or summer uniform, it requires students to be in full school uniform eg boys winter long pants, long sleeve shirt and tie.

## **Save the date: Family Day**

Bishop Vincent recently announced the inaugural 'Family Day' for the Diocese of Parramatta. The emphasis of the day is to acknowledge the importance of family and raise fund for CatholicCare, the organisation in our diocese which offers many services in support of families.

On 24 May, we are hosting a 'Family Fun Afternoon' where all families are invited to enjoy a picnic lunch followed by an afternoon of playing your favourite family board game. Students are invited to wear mufti clothes (casual clothing, including in closed shoes) for a gold coin donation. All donations will go towards raising funds for CatholicCare. Lunch will start at 1:30, followed by board games from 2:00. More information will be provided closer to the day.

We are looking forward to celebrating this special day with you.
