Dear Parents

Yesterday, August 15th, the church celebrated the Solemnity of the Assumption of the Blessed Virgin Mary. On this day we remember the person of Mary and the relationship we have developed with her through the many accounts of our Holy Mother through scripture. For many of us, our thoughts and devotion to Our Lady began very early in life, commencing with the Nativity Story. We learnt how brave and resilient Mary was as she travelled to Bethlehem with Joseph, giving birth to Jesus in a stable. This connection continues as we hear stories of her relationship with Jesus in the scripture passage of Jesus at the temple, at the wedding at Cana and during Holy Week. Although I have written about this before I would like to reflect again on the place Our Lady held in our family. Growing up, in my family, our Holy Mother always seemed so accessible to us, just like our own mother. Praying to her seemed very easy because we were taught that Mary is always there for us and that we could tell her anything. Every day, at midday, all staff and students of schools in the Parramatta Diocese stop to say the Angelus. Often, the busiest part of the day, we all stop to pray to our Heavenly Mother, recalling her story and the critical role she played in Christ's Mission.

Last Sunday some of you may have seen the beautiful media presentation organised by the Diocese of Parramatta and the Institute of Mission entitled, 'The Mission of Each Person'. In this vision we were reminded of the words of Pope Francis in his letter, 'Rejoice and Be Glad'. In his letter the Holy Father reminds us that 'greatness of spirit is seen in everyday life' and that 'the mission of each person is a path to holiness.' Those on the video, people representing groups in our community, explain that no matter what our life situation is; married, single, in community, at school, grieving separation and loss of relationship or journeying towards priesthood, we are called to holiness. This call is not about being perfect and what some may see as an unreachable state of sainthood, but rather a holiness that is first about 'receiving, and letting ourselves be loved. It is about the encounter in each person's life - even weaknesses - with God's grace.' It is about being authentically ourselves - and working towards becoming the best version possible.

Mary showed us many examples of her willingness to encounter God's grace in her life. She showed us how to receive and live God's grace. Just like Mary, every person's mission is a path of holiness.

Every Encouragement for your Path! Let us help each other on this path.

If you haven't had the chance to see this 4 minute video please follow the link below:

Let Us Pray

Holy God, through Mary you show your people that you do wonderful things, through ordinary human beings. With trusting hearts we call you in our need.

As Jesus' mother, Mary showed us the extent of human love, motherly nurturing and selfless service. May all people learn to embrace one another in love, compassion and service.

Wondrous God, hear us.

All: Hear our prayer, O God.

As Jesus' disciple, Mary followed her son. May those in positions of leadership learn from her humble yet strong example of discipleship.

Wondrous God, hear us.

All: Hear our prayer, O God.

As your servant, Mary listened. May we be open to your plans for us with a listening heart and respond with a generous spirit.

Wondrous God, hear us.

All: Hear our prayer, O God.

Mary was aware of Jesus' needs. Let us see and address the cries of help from those in our community who are weak and lost.

Wondrous God, hear us.

All: Hear our prayer, O God.

Mary now rejoices in heaven. We remember and pray for all who are now rejoicing in eternal life with you.

Wondrous God, hear us.

All: Hear our prayer, O God.

God who hears our prayers, you understand every yearning of the human heart. Listen to the prayers we pray in the name of Jesus, son of Mary.

Amen

Important Information regarding GALA days

After feedback over the years regarding Gala Days the school is looking to providing more children with an opportunity to attend by sending more teams. We feel that whilst the Gala Days are competitive the main aim is for children to be part of the fun, gain more skills, meet new friends and be part of a not so serious competition. In light of this Mr Baird and Mr Younis will be looking to send teams made up of as many children that want to go, within the given restrictions of course. Next year the children may be asked to nominate their preferred event - this will assist even further. It is hoped in doing this we expose many children to this fun event rather than a select few. The start of this concept was to be the Touch Gala Days this term.

The complication we now face is that the date of the Gala Day has been changed by CEDP - totally out of our control - but it has landed on the same day as the Year 3 excursion. The buses have been booked and everything arranged with excursions taking the priority. CEDP have apologised for the sudden change. This will mean that this year the Stage 2 Touch Gala Day will involve only Year 4 students. Year 3 will get this opportunity when it is presented again in 2019.

Calmsley Hill Farm

On Friday, we went to the farm and we saw some animals.

First, we were allowed to touch the animals and milked a cow. We saw goats and birds and we even saw a peacock! Finally we saw three shows.

I felt tired.

Jacinta Malkoun, KM

On Friday, Kindy went to the farm.

First, we ate fruit break at the tables. Then, we pat the baby chick and the bunny. Next we milked the cow and saw the sheering. Finally, we went home on the bus.

My favourite part was sleeping on the bus.
