**Children return to  
school for Term 4 on  
14th October.**

Dear Parents and Caregivers

On Friday 30th August a number of our children joined students from other local parishes to receive the Sacrament of Confirmation at St Patrick's Cathedral Parramatta. The Confirmation Celebrant was Bishop Vincent Long Van Nguyen with Father Bob Bossini and Father Christopher del Rosario concelebrating. Deacon Roderick Pirotta was also present.

In his homily Bishop Vincent congratulated all the children for reaching this part of their faith journey. He reminded them that they had now journeyed from their spiritual childhood to a state of fully fledged Christian lives. Bishop emphasized that this significant step - the receiving of the Sacrament of Confirmation - is not one that is a mere 1 hour service but one that lasts a lifetime. It requires a life of service in which we are called to accompany others on their journeys.

He related this journey to the same journey that Jesus took; a journey of service, commitment and mission.

He asked us to reflect on what type of lives do we wish to live; that of self indulgence, self centred, greedy, miserable lives OR Spirit filled and inspired lives filled with hope, joy, truthfulness, peace and love.

Bishop Vincent called on the children to remember that the world is in desperate need of the fruits of the Spirit which they have now received and that we can make a difference in our world - like a light on the hilltop. We have the potential to live Spirit lead lives; lives we are meant to produce.

May I take this opportunity to sincerely thank all the members of the choir who came to support the children making Confirmation and my deepest thanks to their parents in making this a priority on what I know was a very busy Friday. Your support of the school has not gone unnoticed and we very much appreciate your efforts. Thank you also to Mrs Rodricks for the time spent preparing the children and to Mrs Standring for her involvement with the Parish Sacramental Committee. Thank you to the staff for their support as always.

Let us ask the Holy Spirit to continue to bless our School Community of St Patrick's Parramatta, especially the children who have recently received the Sacrament of Confirmation.

God Bless you and your families

## Condolences

We wish to extend our deepest sympathy to the El-Sabbagh (Anthony KA & Mary-Jo 6W) family on the passing of their Grandmother. Please keep the family in your prayers.

## Pedestrian Safety Before & After School

Just a reminder that we have a designated Pedestrian Crossing outside our school. We have noticed a number of parents crossing their children outside the school gate from the OLMC side of Ross St, often opening the car door into traffic. Please take a minute or two extra and cross your child at the crossing to ensure their safety. We encourage the students to enter and leave their cars from the curb side. We all learnt these safety measures when we were at school so please re-enforce them with the most important people in your life - YOUR PRECIOUS CHILDREN.

## Uniforms/ Haircuts

Dear Parents

As the weather starts getting warmer we thought it was a perfect time to remind our school community about the school's protocols around hair cuts and appropriate hair attire. As is outlined below boy's hair should be of an even and regular cut and girls hair ribbons should be green. Please be mindful of this protocol when attending the hairdresser or barber shop. I know it is difficult to go against what is currently trending, however by enrolling in our school you have also agreed to the protocols outlined below.

Please have the conversation with your child if you believe their current hairstyle does not conform to our school's outlines, than adjust the cut or style as needed, over the weekend. Next week, parents will be contacted by the student's classroom teacher if we deem the haircut to be unsuitable.

Thanking you for your continued support regarding this area.

## UNIFORM

- Full school uniform is to be worn at all times.
- Uniforms and shoes should be clean and neat.
- School hats are to be worn when outside buildings.
- Girls hair ribbons should be green.
- Girls long hair must be plaited or tied back.
- Boys are to have hair cut neatly, above the collar, and of an even and regular cut.
- The use of hair gel or hair dye is not permitted.
- No nail polish is to be worn.
- Jewellery is not permitted apart from a wristwatch, sleepers or small plain studs in pierced ears.

### SCHOOL WELL-BEING COUNSELLING SERVICE

The wellbeing of children and young people in Catholic Education Diocese of Parramatta schools is of paramount importance. A sense of well-being and connectedness in schools promotes optimal development of the person and contributes to academic success.

Access to counselling services can be made by contacting your child's classroom teacher or Ms Fabri, who will then put forward a referral. Mrs Ricketts will then contact you for further information. Further details can be found in previous newsletters.

## NUMERACY TIPS TO HELP YOUR CHILD EVERY DAY K to Yr 2

### 8. MOVING WITH MATHS

These ideas use movement of the body to experience counting:

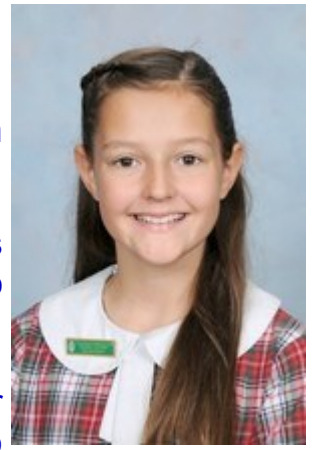

- » Count each toss of the ball as you play a game.
- » Estimate how many jumps it will take to get to... Then count how many jumps it takes to get to...
- » Count with your child as you climb steps or walk from the park bench to the slide.
- » Ask your child to find ways to balance their weight with a friend on the see-saw.
- » Sing rhymes and songs that involve counting while skipping.

## VOICE of YOUTH

On Monday, the ninth of September I represented the school at the Eastern division cluster final for the VOY.

It was really scary standing up on the stage with hundreds of pairs of eyes staring at me and I didn't know where to look. So I just pretended that no one was watching and I was just in my bedroom practising.

I was second last to present my speech and I also had to answer unprepared questions and I'm a more planned person. I am very thankful to my mum and dad for supporting me in this big challenge and I'm very proud that I made it to this level. A big thank you to my teachers for encouraging me and thank you to my classmates for the many times they listened to my speech and never appeared tired of hearing the same thing.
